ABOUT MEROLA OPERA PROGRAM

Led artistically by San Francisco Opera Center Director and internationally acclaimed soprano Sheri Greenawald, the Merola Opera Program is an independent nonprofit organization that operates in collaboration with the San Francisco Opera. Founded in 1957 and named for San Francisco Opera's founder, Gaetano Merola, the program celebrates its 60th Anniversary in 2017 and is recognized as one of the most prestigious operatic training programs in the world. The Merola Opera Program typically receives more than 800 applications for approximately 29 positions. Throughout the summer, the Merola artists participate in master classes and private coachings with opera's most accomplished singers and performers. Participants, which include singers, apprentice coaches, and an apprentice stage director, also receive training in operatic repertory, foreign languages, diction, acting, and stage movement. The artists appear in public performances throughout the summer. The Merola Opera Program Summer Festival includes two staged operas, a scenes program, and a concert.

Offered free of charge for all participants, the Merola Opera Program is unique in the industry in many ways. Merola is the only young artist program to provide financial support to developing artists for five years following participation. In the past year alone, more than \$150,000 was distributed to more than 100 artists, supporting their essential career development costs including coaching, language classes, and audition travel. In addition, only Merola graduates are considered for participation in the San Francisco Opera's Adler Fellowship program.

In the past six decades, over 1,236 individual participants have experienced the transformative Merola Opera Program, many of whom have become world-renowned artists in the pages of operatic history. Between 1957 and 2016, 354 sopranos, 174 mezzo-sopranos, 5 contraltos, 5 countertenors, 211 tenors, 176 baritones, 71 bass-baritones, 82 basses, 136 apprentice coaches, and 22 apprentice stage directors have received invaluable and life-changing training and financial support from the Merola Opera Program. The impact of the equally impressive Merola faculty and artists has left a grand presence on operatic stages across the globe, and the program continues to surpass its own standard of excellence in quality and vision with each passing season.

Merola members (including students in the Merola ConneXion program) enjoy the opportunity to sit in on select master classes and attend other special events with the young artists for a behind-the-scenes look at the training process.
